

§ 842.67

in settling a claim except where local law provides otherwise:

(1) Any sums the claimant recovers from collateral sources, including proceeds of property insurance the claimant paid for are not deducted from the claim except when those sums are from:

- (i) The US Government.
- (ii) A US military member or employee.
- (iii) A Joint tort-feasor.
- (iv) An Insurer of § 842.66(c)(1)(i), (ii), or (iii), above.

(2) Do not deduct insurance or any other payments where the US military member or employee would have to make reimbursement.

§ 842.67 Reconsideration of final denials.

This paragraph provides the procedures used to reconsider a final denial.

(a) An FCC may reopen, reverse, or reconsider, in whole or in part, any claim it previously decided if the request for reconsideration is received in a reasonable time. Sixty days is considered a reasonable time, but the FCC may waive the time limit for good cause.

(b) An FCC reconsiders the final action on a claim when there is:

- (1) New and material evidence concerning the claim.
- (2) Obvious error in facts or calculation of the original settlement.
- (3) Fraud or collusion in the original submission of the claim.

(c) The FCC must state the reason for reconsideration in its opinion. A court decision is not in itself sufficient basis for reconsidering a claim, but the facts that resulted in the judgment may warrant reconsideration. The amount of a court judgment is not binding on a FCC's determination of damage, but the commission may consider the judgment as evidence of the local law on the subject.

§ 842.68 Right of subrogation, indemnity, and contribution.

The Air Force becomes subrogated to the rights of the claimant upon settling a claim. The Air Force has the rights of indemnity and contribution permitted by the law of the situs or

under contract. Contribution or indemnity should not be sought:

(a) From US military personnel or civilian employees whose conduct gave rise to government liability.

(b) Where recovery action would be harmful to international relations.
